BY DR. FABIAN MUTTACH

**Part I: 30<sup>th</sup> of June 09:00 – 16:30 In person**

**Part II: 6<sup>th</sup> of July 18:30 – 20:30 Online (zoom)**

## Part I: Im Neuenheimer Feld 370 (Graduate Academy, Doctoral Convention)

09:00 – 12:00 Overview over the pharma and biotech industries  
Important factors to consider when looking for your first industry position

13:00 – 16:30 Presentation and discussion of potential job profiles for natural science graduates  
including presentation of my personal experiences  
Tips and tricks on how to start the job search

## Part II: Zoom

18:30 – 20:30 Discussion of current job profiles  
Daily tasks of Dr. Muttach's current and previous job

**HOW TO JOIN** Please register until 26.06.23 (first-come-first-serve) via:

<https://forms.gle/PxSQrVi1t3wkfatV9>

Send your questions to the organiser Nora Jamaladdin ([n.jamaladdin@kitz-heidelberg.de](mailto:n.jamaladdin@kitz-heidelberg.de)).

**THE SPEAKER** Dr. Muttach studied Molecular Biotechnology at Heidelberg University and obtained his PhD in Münster. Now he is a process manager at Boehringer Ingelheim, one of the largest pharmaceutical companies.

**WHAT ELSE** The workshop will be in English. You can choose to do Part I and Part II or only one part. You will only receive a certificate when you join both parts. The workshop is for free and 20 PhD students can participate. More information will follow after registration.
